Come connect with those who share a passion for Uplift's mission, reflect on the impact we've made together, and toast to the future of hope and healing.

How to Join Us

Sponsorship

As Philadelphia's largest provider of free grief services, Uplift's team of clinicians often support youth and caregivers residing in under-resourced or high-violence neighborhoods. Over the past 25 years, Uplift has grown from offering a handful of support groups to providing a robust suite of grief and mental health care.

By sponsoring **Hope In Bloom**, you help Uplift provide free, trauma-informed, and high-quality grief services that reach between 4,000 and 5,000 students, caregivers, school communities, frontline professionals, and callers to Uplift's Philly HopeLine each year. Visit upliftphilly.ejoinme.org/tickets or scan the QR code below to sponsor or make a donation.

For more information about sponsorship, contact **Kevin McGuire**, Development Director, at kevinm@upliftphilly.org or 267-437-3123, ext. 1007.
